SHIRELY'S SONG

Do you remember our younger years?
Problems were solved by shedding tears.
Comforting words soothed us so
From our parents who watched us grow.
Those were carefree days--
We showed love in the simplest ways.
But, time has changed all of that
There's no use turning back...
Turning back to yesterday.

Then came our second stage.
We realized we had reached the age
When boys did this and girls did that.
We were changing, that was a fact.
Those were better times.
We thought we were rich when we had a dime.
But, time has changed all of that
There is no use turning back...
Turning back to yesterday.

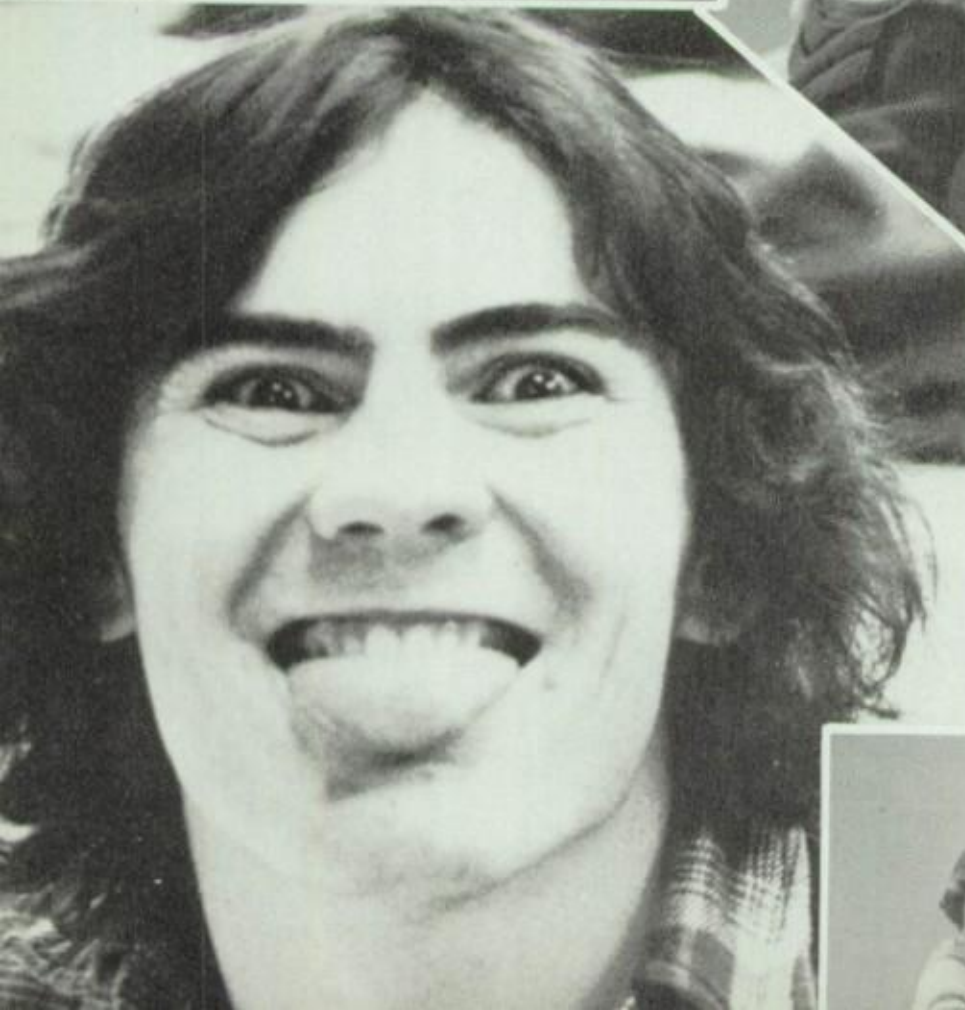

A sepia-toned photograph of a dilapidated wooden wagon in a field. The wagon is heavily damaged, with its wooden planks and structure crumbling. It has large, spoked wooden wheels. The wagon is filled with debris, including what looks like old metal cans and other trash. The background is a flat, open field with some distant trees or structures under a pale sky. The overall tone is nostalgic and somewhat somber.

As we entered Jr. High
We had the times of our lives.
Something inside of us started to grow
What it was for sure, we didn't know.
We had good times then
We never thought they would end.
But, time has changed all of that
There's no use turning back...
For there is today.

Then came our High School years
We tackled problems and conquered fears.
We learned alot in those short years.
Graduation brings success with tears.
We never had life so good
We wouldn't change it if we could.
Cuz all our life we've had fun and kicks,
And, today, we're the proud class of '76.

grin and bear it.

Activities

The spectacular 1975 Homecoming festivities began with the senior Pep Club members mustering up spirit by sharing Sunday night together. They made spirit signs, painted windows, TP'ed the senior boys and the coaches homes, and in general generated spirit, laughter and fun.

Early Monday morning (5 a.m.) they left the Eitemiller residence and proceeded to collect their "little sisters" for an early morning breakfast in their p.j.'s.

The cracking of the bonfire could be heard Tuesday night as Kimball was "thrown" into the fire to burn. A cake, frosted in white, was dedicated to Coach Zohner and his boys.

Friday finally arrived with much anticipation and a few last minute touches were added here and there.

The coronation was beautiful and sentimental as the pages opened the curtains and a cloud drifted into the room. King Bill crowned Queen Theresa and sealed it with a kiss.

A long delightful parade enhanced our Homecoming celebration. The senior Royalty float won the most beautiful award, the Art Club dragon won the most humorous and the Sophomore won the most original.

A pep rally was held at the intersection of 2nd and Main streets where CHS spirit was shown to all.

During halftime the Queen and her attendants were driven around the track in a red convertible. Gordon Strang, escorting the Queen, presented her with roses. Dan McPherson and John Blaylock escorted the queen attendants.

Our defeat in football was, of course, upsetting, but all the same, spirit was flowing at the homecoming dance.

County Government Day

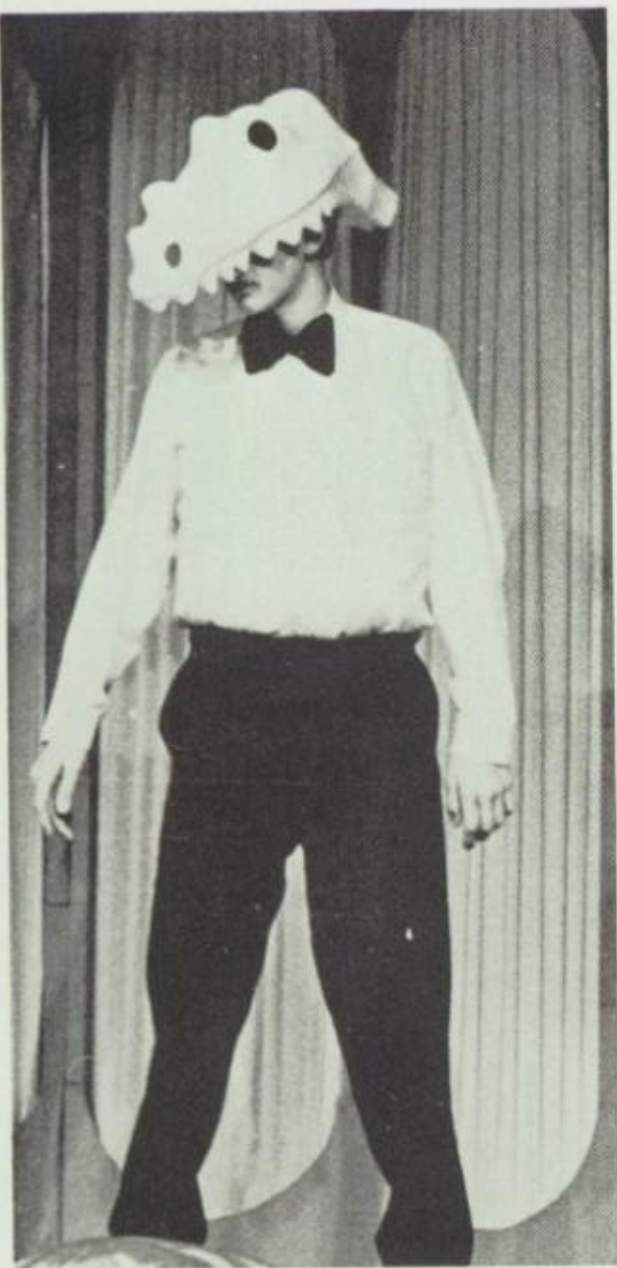

County Government Day was one of the biggest days for the Juniors. Its purpose was to familiarize the students with the county government. The students ran for office and took their positions in their office the same as if they

were actually elected or appointed to office. It was topped off by a dinner given by the American Legion. In the afternoon there was planned a mock trial; however it was cancelled, which caused a lot of disappointments.

King of the Ice Cream Mountain

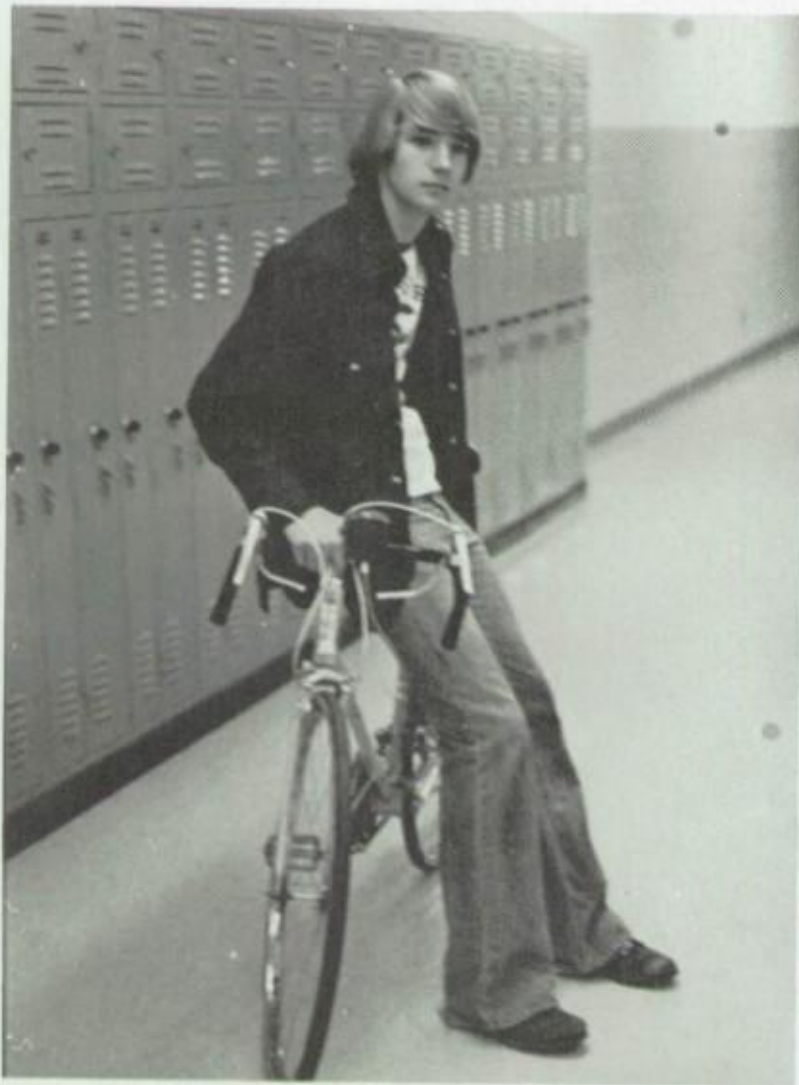

KING OF THE ICE CREAM MOUNTAIN, a one-act play by Gerold Mundis and Robert Leonard, was presented in January to approximately 450 elementary students. The play was about a sore-footed King whose ice cream mines were running dry. The conflict involved the attempts of Zino, an evil sorcerer, to gain control of the ice cream mines and the kingdom. The kingdom was saved by Muffles and Happy who solved the King's foot problems and discovered inexhaustable veins of ice cream cream.

Starring in the roles were: Paris Fisher as King of the Ice Cream Mountain, Dale Haltam as Muffles, Lilli Witte as Happy the Princess, and Greg Bartels as Zino The Great.

The success of the play was evidenced in the first five minutes when Greg Bartels received a 5 minute roaring ovation from the children.

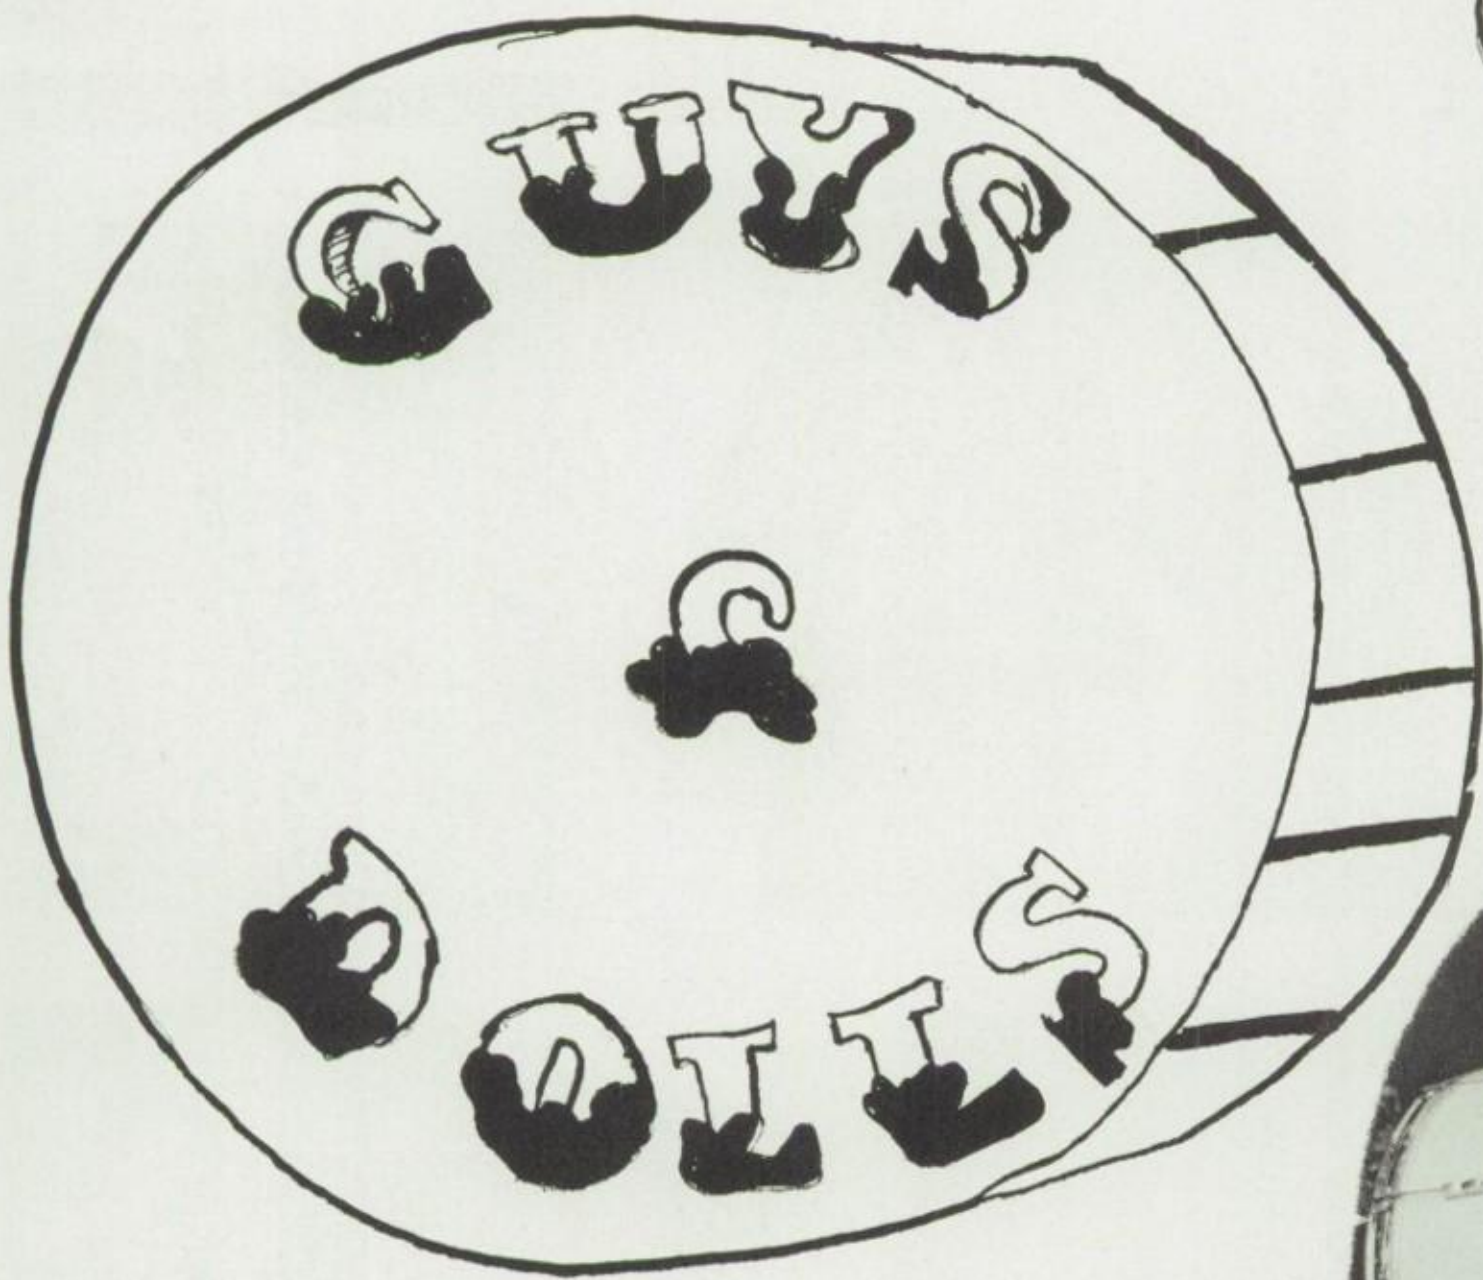

Mini-Courses

March 15 started this year's week of mini-courses. Many new and fun things were added to the list of courses offered, one of these being Outdoor-cooking. Mr. Watson, Mrs. VanPoppel, and Mr. Cundall sponsored this class.

All, in all, this week was an educational and fun experience for us all.

The Chadron High School Music Department Proudly Presents GUYS AND DOLLS, a Musical fable of Broadway based on a story and characters by Damon Runyon, on February 26, 27, 28, 1976.

Sid Showalter was the Musical Director with Durell Thompson as Orchestra Director. Dawn Gray acted as Student Director and Troy Fisher was the Rehearsal Accompanist. Dorothy Showalter arranged the Choreography.

Another year goes passing by
Another prom is here
To some this brings a joyous heart
To others it brings a tear
For three years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
We'll miss you when you're gone
And to the Class of '76
We dedicate this prom

Working hard!

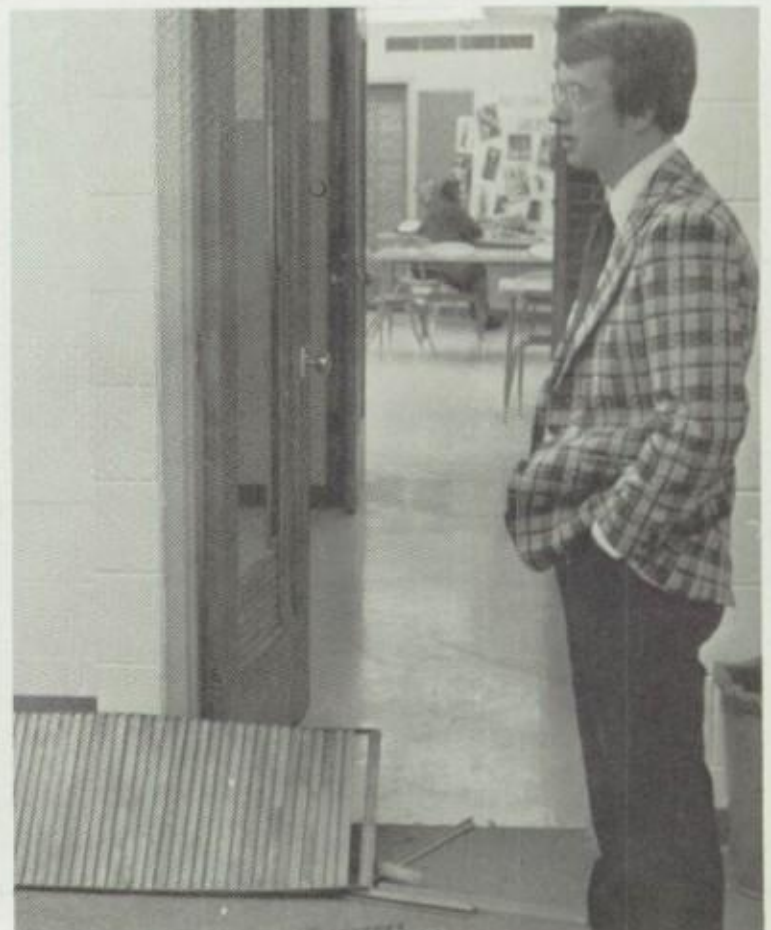

This years Annual staff has had a hard, but rewarding experience. As a result of much talking and persuading this year's annual has added color pages to it's content.

Raising funds for the added expense was difficult enough, but, it became next to impossible when close to \$300 was stolen from the Yearbook sales in late March.

The Student Council came through again as they donated the needed \$300 from their treasury.

Varsity

The Chadron High Volleyball team finished the season with an 11-6 record and two Conference Titles. The Cardinals traveled to Valentine to meet Atkinson West Holt for the Rangeland Conference title and breezed by them in two games to clinch the title for the third year in a row. The Cards also tied with three other teams for the Western Conference Champs.

It was a good season for Sophomore Gina Kallhoff who won All-Tourney player at Alliance Tournaments and along with her sister Julie, earned a place on the Western Conference team. But, what really made the season for the team was defeating Gering for the first time at the District Playoff.

The Girls Basketball team fared well for their first year of playing after getting off to a slow start. They opened their season at Gordon with a heart-stopping victory of 26-24. The first game with Alliance was discouraging with Alliance winning, 29-23. But, that must have really inspired the girls because they came back to beat Gordon 34-22 and Alliance 28-21.

Although the girls tied with their opponents with 43 field goals a piece, Chadron stood out in free throws.

The Chadron High Girl's Basketball team would like to thank the Administration and Coaches Traphagen and Frausto for all of the help they provided in getting the girl's basketball team underway.

Basketball

The Chadron High Cardinals ended the 1975-76 season under the coaching of Dennis "Buck" Edwards with a 10-8 record. The teamwork of the Varsity players won them the West Rangeland Conference Championship.

The reserve team consisted of Phil Curd, Marty Weander, Steve Fisher, Don Williams, Gary Shanks, Ken Jenkins, Tim Weander, Mike Boeslager, Steve Myers, Don Sherrill, Dan McPherson, Mark Duncan, Doug Downs, and Doug Hildebrand.

The Cardinals will be losing seniors Brent Alderman, Tom Amen, Greg Bartels, Mark Bolln, Mike Harris, and Kirk Nydahl.

The 1976 Varsity squad, under the coaching of Bill Kant and Ed "Murph" Planansky, had the best year in CHS history. They compiled a 6-1 dual record. In tournament action, they took two 3rd places, 3 1st places, winning 2 of them by one-half a point. At districts they qualified 5 wrestlers and captured 4th place. In State tournament action the wrestlers turned in outstanding individual efforts, ending up with one 3rd place and two State Champions. The lucky one-half point that helped win 2 tournaments this year finally caught up with them and put them within one-half point of capturing the State Class B Championship.

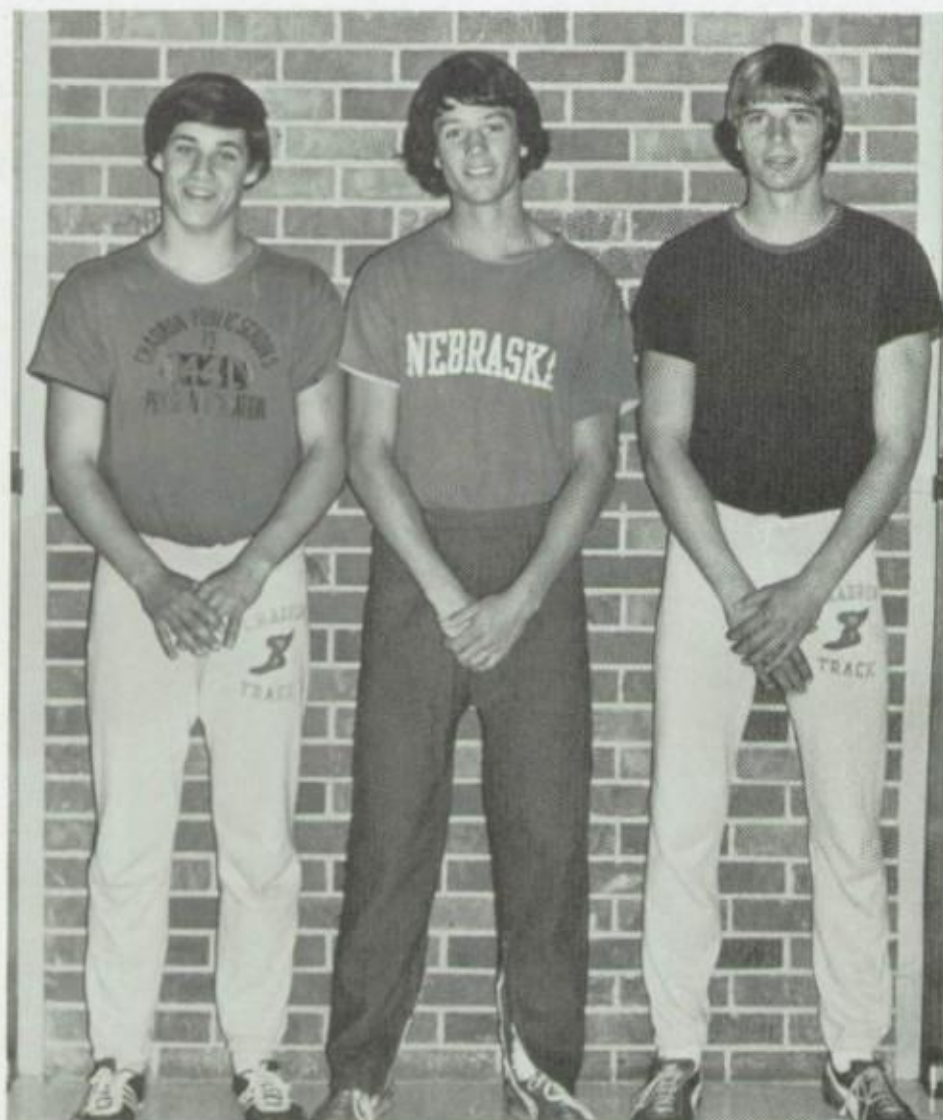

In reserve action they compiled a 7-3 record. This year reserves also competed in the Gordon and Chadron tournaments, taking a first place trophy at the Chadron tourney and 2nd at the Gordon tourney. The wrestling

Graduation 1976

As the doors swing close on one part of their lives, the 1976 Graduates take another step into their future. Mr. Craig Madison presented the top 10% of the class with Honor Medals. Included in the top 11 students were: R. Waggener, H. Waggener, G. Bartels, J. Deselms, M. McCafferty, R. Hulsman, S. Richards, W. Deines, L. Ritterbush, L. Simonton and C. Fuhs.

Over the years we've been down once or twice.
Who always helped and gave advice?
If it weren't for them we couldn't be here
We should thank our parents in every way.

Life has been good to us, that's for sure.
We hope to have an even brighter future.
Though the past is behind us, and tomorrow ahead,
We will never forget the good old Black and Red.

-Shirley Haynes
